

Oslo, 26th September 2019

To: Ethiopian Electric Power,
For Attention: Dr Abraham, CEO.
Thought Leader Global AS filming for Nordic Energy Research in Ethiopia

Dear Dr Abraham,

We kindly request your permission for the Thought Leader Global film crew from Norway, Natalie Bridgette Becker-Aakervik and Mikkel Becker-Aakervik, to film at 4 different energy sites between 20-22 November 2019. Natalie and Mikkel will visit Ethiopia in October and November 2019 to work with Nordic Energy Research and African Innovation Week at the African Union.

The purpose of our visit is to film Nordic projects in Ethiopia and produce promotional films to highlight positive development between Ethiopia and the Nordics. Nordic Energy Research have invited Thought Leader Global to help with film production at the Nordic Energy Seminar in Addis Ababa 31 October 2019. This seminar with Nordic Energy Research in collaboration with the Nordic embassies based in Addis Ababas, will bring together renewable energy solution providers and stakeholders from the Nordic countries and Ethiopia.

Thought Leader Global kindly request your permission to film at the following locations on dates 20, 21, 22 November 2019 to produce this promotional film:

Filming locations are:

20.09 Adama wind parks: <https://goo.gl/maps/ab3hTnkueV8P8bbd7>

20.09 Melka Wakena hydropower plant: <https://goo.gl/maps/DLvNqoSWP6STuaoT9>

21.09 Geothermal: <https://goo.gl/maps/XoWF5fNZqTNnGVTu6>

22.09 Cottebe substations Substations: <https://goo.gl/maps/y4oi4fsR2XoZvcZg8>

Thought Leader Global is a two people film crew and would kindly like to request to do both filming with cameras on the ground and aerial filming with a film drone at all the 4 mentioned sites. Any assistance to facilitate Thought Leader Global's filming would be highly appreciated.

Personal information:

Natalie Bridgette Becker-Aakervik Passport number: A05504732

Mikkel Becker-Aakervik Passport number: 32232617

Yours faithfully
Svend Soyland
