

NORDIC ETP 2 ICELAND WORKSHOP

Tuesday 27.08.2013, 14:00 – 16:30

Ministry of Industries and Innovation, Skulagotu 4, 150 Reykjavik ([link](#))

Host: Nordic Energy Research

Icelandic stakeholders from government, academia and industry are invited to a workshop to discuss a potential second edition of the NETP publication. This is the first of 5 national workshops in the Nordic countries looking to gather input for the eventual project proposal to the IEA and the Board of Nordic Energy Research later in 2013.

Agenda

Topic	Time
Presentation of how NETP was received, as well as thematic and practical considerations for a second edition – Benjamin Smith, Nordic Energy Research	14:10
Reflections from the Icelandic research team for NETP – Jonas Hlynur Hallgrímsson, University of Iceland	14:45
Coffee	15:00
Discussion - How can a second NETP improve on the first? - What are the key areas of analysis most relevant for Iceland? - Which Icelandic solutions are other countries most interested in? - How should a second project be organised?	15:15
Summary, Meeting ends	16:30
