

## NORDIC ETP 2 FINLAND WORKSHOP

**Tuesday 17.09.2013, 09:00 – 11:30**

TEKES, Kyllikinportti 2, Länsi-Pasila, Helsinki  
Host: Nordic Energy Research

Finnish stakeholders from government, academia and industry are invited to a workshop to discuss a potential second edition of the NETP publication. This is the second of 5 national workshops in the Nordic countries looking to gather input for the eventual project proposal to the IEA and the Board of Nordic Energy Research later in 2013.

### Agenda

Topic	Time
Presentation of how NETP was received, as well as thematic and practical considerations for a second edition – <i>Benjamin Smith, Nordic Energy Research</i>	09:00
Reflections from the Finnish research team for NETP – <i>Tiina Koljonen, VTT</i>	09:30
Discussion – How can a second NETP improve on the first? – What are the key areas of analysis most relevant for Finland? – Which Finnish solutions are other countries most interested in? – How should a second project be organised?	09:45
Coffee	10:15
Discussion continued	10:30
Summary, Meeting ends	11:30
