

## **NORDIC ETP 2**

### **SWEDEN WORKSHOP**

#### **Wednesday 18.09.2013, 13:00 – 15:30**

Energimyndigheten, Rosenlundsgatan 9, Stockholm  
Host: Nordic Energy Research

Swedish stakeholders from government, academia and industry are invited to a workshop to discuss a potential second edition of the NETP publication. This is the third of five national workshops in the Nordic countries looking to gather input for the eventual project proposal to the IEA and the Board of Nordic Energy Research later in 2013.

## **Agenda**

<b>Topic</b>	<b>Time</b>
Presentation of how NETP was received, as well as thematic and practical considerations for a second edition – <i>Benjamin Smith, Nordic Energy Research</i>	13:00
Reflections from the Swedish research team for NETP – <i>Thomas Unger, Profu</i> – <i>Jenny Gode, IVL</i>	13:30
Discussion – How can a second NETP improve on the first? – What are the key areas of analysis most relevant for Sweden? – Which Swedish solutions are other countries most interested in? – How should a second project be organised?	13:45
Coffee	14:15
Discussion continued	14:30
Summary, Meeting ends	15:30
